

JESSEN LIFTS

SOUTH AFRICAN MADE GOODS ONLY HOISTS.

Many factories, companies, and retailers in South Africa find themselves stuck with goods only hoist/lifts which are no longer legal according to our South African regulation SANS1545-5.

Jessen Lifts have cost effective, reliable, and locally manufactured, drum driven solutions which do comply.

We offer traction, hydro and drum driven goods lifts and goods only lifts for every application.

Offering the world's best systems, incomparable technical support and advisory services for your lifts.
