

The First Cibes Air from Jessen Lifts installed in Nelspruit.

The Cibes Air is our tried and tested Swedish vertical platform lift with a new very Scandinavian looking platform design.

This lift is a 300 kg in capacity due to space constraints 3 stops with doors on 3 different sides! This is how versatile our platform lifts are.

The lift is finished in Oyster white.

**NEED AN ACCESSIBLE LIFT, PASSENGER LIFT OR GOODS HOIST,
